

Monthly General Meetings

In December we had our monthly meeting at the Airport Plaza Hotel in one of their banquet rooms upstairs. They offered us a very nice limited menu and the food was very good. There are a few kinks that need to be worked out, but otherwise I think it's a good venue. We're going to give it another try to see if we can make it work for us as well as their staff.

They are willing to have a cash bar set up upstairs like they did for the Facademies. Keep in mind that this is not a banquet, but rather an annex of their restaurant. Even though we're upstairs, the servers are servers from the restaurant downstairs, and have to run up and down for us. In order for it to run smoothly we need to treat it just like we're in a restaurant. When we get there, we need to find a seat and sit down until our orders have been taken. Be sure to give the server your name when you order. If you can eat first and then socialize, I think it will go a lot smoother.
