

2011 Virginia City Christmas on the Comstock and Gold Hill Dinner

This was the 6th time a group of Ski Club members have ventured up to Virginia

City on the first Saturday in December to watch the Christmas on the Comstock Parade of Lights. Sometimes with dinner - sometimes not.

Before the parade as is tradition, we met up at the Bucket of Blood Saloon for a warm drink before braving the cold to watch the parade! The parade was better

Than ever this year, and the new chef at Gold Hill out did himself!

Some only came for the parade, some stayed for the group dinner, and some even

Spent the night at the Gold Hill Hotel...and were even visited by a ghost!!

Hope you can join us next year. No matter what parts of the event you choose

To join in on, I know you'll have a great time with great friends!
