

Sunnyside Activities and Events 2010

We had wonderful weather for the Sunnyside activities and lunch on Sunday, September 26th. With officially 98 club members and their guests at Sunnyside, almost a third of the club took part in this year's event. I want to especially thank all the activity leaders for all of their efforts and help. They provided a wide array of optional activities which really contributed to making the day so much fun: **Gayle Sherman, Claire Keenan, Joel Marlowe, Ron**

Chohamin, Ken Rose, Robert Newbury, Dan Lutterman, and Ron Percivalle for our Sunnyside specific Weather & Shopping forecast. With sunny skies and warm temperatures, all of the optional morning activities went off as planned.

We had a new activity this year which was Gayle Sherman's Tahoe City Shopping Trip. All the ladies found after the end of season sale bargains. Gordon even

modeled his new “Elvis is In the House Jacket” for everyone on the deck at lunch.

Ken Rose’s group hiked to the top of Eagle Rock and the scenic overlook of Lake Tahoe. The ideal weather made the second year Ron Chohamin’s kayaking group was able to have a great day on the lake. Robert Newbury’s walking & photo group started at a scenic lakeside area south of Sunnyside and walked along the paved path past some of the west shore homes and lake shore. Claire Keenan’s cruiser bike group rode from Sunnyside along the west shore bike path beside the lake to Homewood and back. Joel Marlowe’s mountain bike group rode on a single track trail in the Dollar Hill area on the north shore. Vin Keenan’s cruiser bike group did a ride along the west shore and then along the Truckee River to River Ranch and back. Dan Lutterman’s motorcycle group did a new route cruise going up the Mt. Rose Highway along Tahoe’s north shore and Truckee River. With Sandy’s clock management they broke with tradition and actually arrived early for lunch at Sunnyside.

We had a Champaign Toast to celebrate Joe & Helen Kliestik’s 40th Wedding Anniversary that day and Gayle Sherman’s and Peter Callison’s marriage two days before Sunnyside. It was Peter Olsten’s birthday, again for the second year in a row, so he got another extra large piece of Hula Pie with a birthday candle and a chorus of happy birthday sung by the whole group. Peter has checked it out already and is disappointed that his birthday does not fall on a weekend again for several years.

Sunnyside resort once again delivered excellent food and service and of course the drop dead gorgeous lakeside setting.

Thanks to all the club members and their guests who keep participating in the Sunnyside event year after year and making a great day. Thanks, also to everyone who shared their photos with us here and on the website.

Vin Keenan
