

## SUNNYSIDE Activities & Luncheon

September 24<sup>th</sup>

We had wonderful weather again this year for the Sunnyside Activities and Luncheon on Saturday, September 24th. With officially 98 club members and their guests at Sunnyside, almost a third of the club took part in this year's event. I want to especially thank all the activity leaders for all of their efforts and help. They provided a wide array of optional activities which really contribute to making the day so much fun: **Gayle Sherman, Claire Keenan, Joel Marlowe, Ron Chohamin, Ken Rose, Robert Newbury, Dan Lutterman, Ron Alexander, and John Baum. Ron Percivalle** provided our Sunnyside specific Weather & Activity Forecast.

In addition, **Kats Cannell** set up the new Group Messaging on the Club's web site, which was used by a lot of us to communicate about the morning group activities.

With sunny skies and warm temperatures, all of the optional morning activities were able to take place as planned. We had a great turn out and participation in the various morning activities this year our by club members.

The club members had a new activity this year which was John Baum's golfing group at the Old Brockway Golf Course at Kings Beach.

Ken Rose's group hiked to the top of Eagle Rock and a scenic overlook of Lake Tahoe.

The ideal weather made the third year Ron Chohamin's kayaking group was able to have a great day on the lake.

Robert Newbury's walking & photo group started at a scenic lakeside area south of Sunnyside and walked along the paved path past some of the west shore homes and lake shore. Claire Keenan's cruiser bike group rode from Sunnyside along the west shore bike path beside the lake almost to Homewood and back. Joel Marlowe's mountain bike group rode on a single track trail in the Dollar Hill area on the north shore.

Vin Keenan's cruiser bike group did a ride along the west shore and then along the Truckee River to the lights at Squaw Valley and back. Dan Lutterman's motorcycle group, led this year by Ron Alexander made a scenic lake route cruise and actually arrived early for lunch at Sunnyside for the second year in a row. John Baum's golfing group played the Old Brockway Course at Kings Beach in the morning which everyone said was a beautiful course.

During lunch Gail & Peter had a Champagne Toast to celebrate their 1<sup>st</sup> Wedding Anniversary.

It was a triple birthday with Judy Heath, Kris Burton and Vin Keenan all celebrating their birthdays, so they all got an extra large piece of Hula Pie with a birthday candle and a chorus of happy birthday sung by the whole group.

Sunnyside resort once again delivered excellent food and service and of course, Sunnyside's private deck with drop dead gorgeous views and lakeside setting.

Thanks to all the club members and their guests who keep participating in the Sunnyside event year after year and making it such a great day and celebration of the end of the summer season. Thanks, also to everyone who shared their photos with us here and on the website.

Vin Keenan
